Everything was organized to perfection and went as smooth as silk! I had a blast, really improved my skiing, and made a bunch of great new friends too! It was the trip of a lifetime for me. - Robert, Ottawa.

Thank you for the amazing clinic you and your crew organized. I can't begin to tell you how much the clinic helped me reach a new level and conquer new terrain I previously thought unattainable. The social aspect was just as great. We made friends in our groups that continue to communicate, share and reminisce. - Rafael, Calgary.

We had a great time! And we all learned a lot from our instructors. In addition, the organization was really top notch! Stephen and Karen, Edmonton.

Thanks. Dave and I thoroughly enjoyed the week with the CSP Mountain Division crew. The event was well organized, the instruction was great, and the après-ski/snowboard socials were fun with a welcoming atmosphere. We've also made some new friends. Leslie and Dave, Newfoundland.

Everything ran smoothly, which was a tribute to the thorough preparations that you had done ahead of time. Well done! My instructor did a great job. This enabled us all to work on the skills that we needed to and to seek out the advanced terrain that the mountain has to offer. Beth, Ontario.
